

Mission Care Team

The purpose of the Mission Care Team is to relieve stress and anxiety of team members and family members by providing assistance when they are away on mission trips. This may include providing meals to their family, chauffeuring kids to activities, childcare, pet care, running errands, calling to check on the family during the trip, and so on.

If you are interested in supporting families while a family member is away, please check the areas that you are able to provide assistance.

- Childcare: evening or daytime (circle one)
 - Provide a meal
